

PLEASE POST!

The **Center for Ocean Sciences Education Excellence-West** invites you, your colleagues and students, family and friends to learn more about harmful algal blooms! Admission is FREE.

COSEE-West and the SEA Lab

present a **FREE** lecture in the 2010-2011 series

co-sponsored by Boeing *

We welcome two guest speakers,
graduate students in Dr. David Caron's lab
at the University of Southern California,

Ms. Adriane Jones

"A case study of a harmful algal bloom in a freshwater ecosystem"

and

Ms. Erica Seubert

"Amnesic shellfish poisoning in California coastal waters"

hosted by the SEA Lab

1021 N. Harbor Drive, Redondo Beach, CA 90277

on Wednesday, February 16, 2011

6:00 - 7:15 pm: Public lecture and Q&A

7:30 - 8:30pm: Educators' Session

Erica and Adriane will talk about harmful algal blooms in our local waters and how they relate to local water quality.

More information about the research conducted by Caron Lab is here:

<http://college.usc.edu/labs/caron//home/?CFID=12664678&CFTOKEN=21861951>

And more about the scientists in the Caron lab can be found here: <http://college.usc.edu/labs/caron//people/index.cfm>

Parking is available at the AES lot across the street (the other side of Harbor Drive) from the SEA Lab.

Stop to let the AES guard know you are there for the SEA Lab workshop.

Information about the SEA Lab: <http://www.lacorps.org/sealab.php>

Educators please register for the educators' session

by contacting the UCLA COSEE-West office at cosee.west@gmail.com or 310-206-8247.

Please provide your name, school/organization, and an email or phone number to reach you.

Register by Mon, Feb 14, 5pm to receive **FREE materials and light supper.** Space is limited!

K-12 teachers may get documentation for Professional Development hours upon request.

*** Educator stipends and light supper are being generously provided by a grant from Boeing to USC for COSEE-West.** Light supper is available to all educators who register in advance (see above). Stipends are available to the first 25 educators who:

- 1) Register for this event on or before Mon, Feb 14 (make sure you receive confirmation from us),
- 2) Attend the entire event (time listed above),
- 3) Provide your information so we can pay your stipend from USC. We will provide you with specific details when you register.
- 4) Complete a feedback survey at the end of the event.

For information about the COSEE-West program, visit <http://www.usc.edu/org/cosee-west/>

Supported by grants from the National Science Foundation to USC, UCLA & the College of Exploration for COSEE-West and from Boeing Global Corporate Citizenship to USC for COSEE-West
